

Champlain 300K July 26, 2009

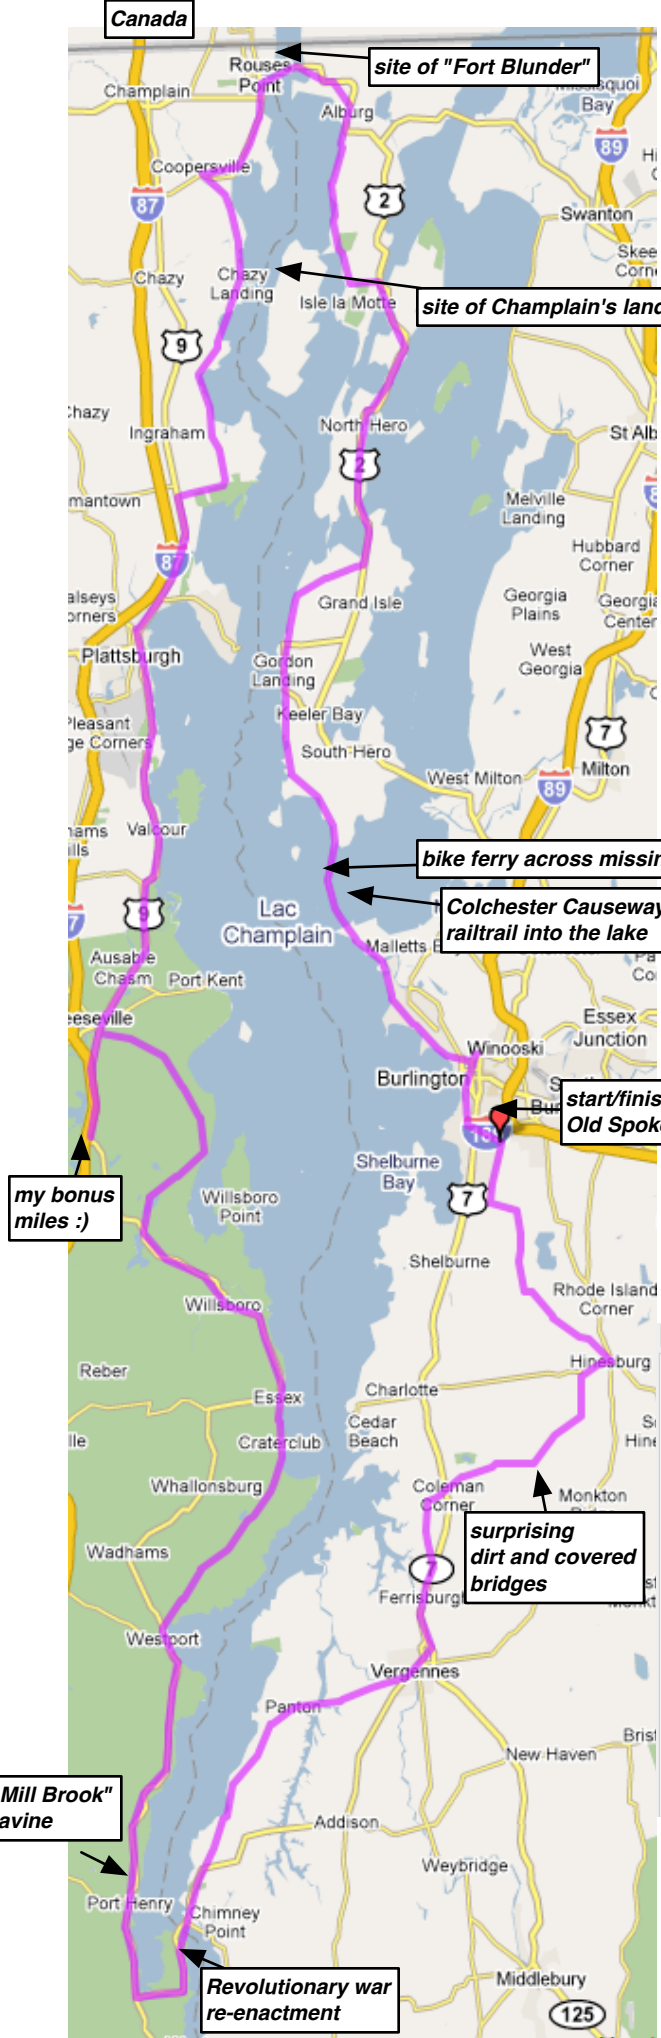

To celebrate the 400th anniversary of Champlain's landing, "Audax Vermont" hosted a scenic ride around the Lake, counter-clockwise.

Cue sheet claims 188 miles; I did about 6 bonus ones.

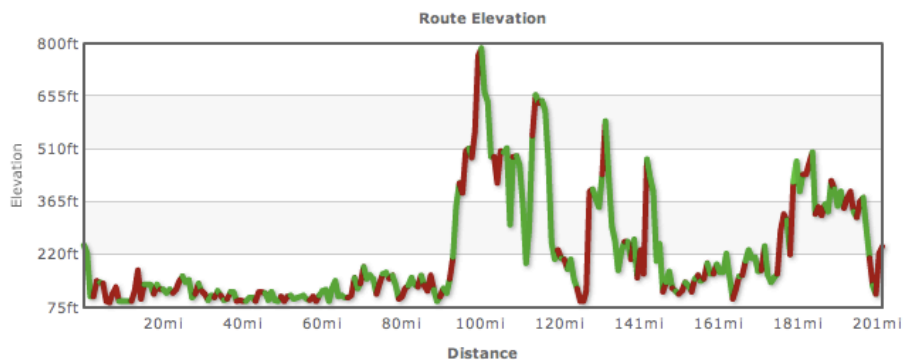

Bikely claims 201 total (with bonus)

My riding time: 11:33

<http://www.bikely.com/maps/bike-path/Champlain-300K>

Elevation

(no, no one knows how bikely.com picks these colors)

Total climb: 5046ft Total descent: 5042ft
